Go Virtual!

Digital Solutions to Engage and Inspire

Guardians of Honor (GOH) has over two decades of experience helping federal agencies meaningfully connect their stakeholder communities, decision makers, and the public.

GOH has worked through numerous changes in federal policy which have impacted how the government thinks about engagement.

To support continued and responsible engagement during the management of COVID-19, GOH recommends switching non-mission essential events to a virtual format.

There are many different modalities and options to choose from - we look forward to helping you keep the momentum going!
